3	Bowmanville	103	Exited	n/a	n/a	n/a	On February 21, 2020, Hillmount Capital Inc. issued a s. 244 notice and a Notice of Sale Under Mortgage ("Notice of Sale"). On May 5, 2020, Ernst & Young Inc. was appointed as receiver of the Bowmanville property and retained CBRE Land Services Group ("CBRE") to market the property for sale. On November 5, 2020, the receiver sought and obtained Court approval of an agreement of purchase and sale between the receiver and Brookhill Durham Holdings Inc., a corporation related to the borrower, for a purchase price of \$8.1M. The receiver advised that the purchase price was the highest and best offer received for the property. The sale transaction closed on November 30, 2020. After repayment of the balances owing to the priority mortgagees, the receiver's fees and other closing costs, the net funds available for distribution by the Trustee are approximately \$577,000 ("Bowmanville Residual Proceeds"). On June 7, 2021, the Trustee is seeking Court approval to distribute the Bowmanville Residual Proceeds <i>pro rata</i> to the Bowmanville Investors, net of the Administrative Holdback.
4	Bradford Bond Head	186	Exited	n/a	n/a	n/a	Sugarcrest Developments, the first priority lender, issued a s. 244 Notice and a Notice of Sale. On July 23, 2019, Quincy, the second priority mortgagee, obtained an order of the Court appointing Rosen Goldenberg Inc. as receiver over the property. The receiver ran a sale process for the property and sought and obtained Court approval for an agreement of purchase and sale ("Bond Head Sale"). The Bond Head Sale resulted in the second mortgagee suffering a shortfall under its charge and as such there were no recoveries available for BDMC in respect of its fifth ranking mortgage. Accordingly there were no funds available for distribution for the Bradford Bond Head Investors.
5	Braestone	250	Exited	n/a	n/a	On November 28, 2018, the Trustee sought and obtained court approval of a settlement agreement in the amount of \$10M in respect of the BDMC debt on the Braestone project.	n/a

Sale transaction closed on October 24, 2018 for a purchase price of approximately \$50M. After repayment of amounts owing to the first, second and third mortgagees, approximately \$20.4M remained. Since 2019, the Trustee has been involved in complex litigation involving construction liens, which claims totaled approximately \$8.7M in aggregate. On August 28, 2020, a Court order was granted authorizing a settlement with the lien claimants for approximately \$4.5M. After paying the lien claimant settlement amounts, approximately \$17M continues to be held by the Court ("Brookdale Proceeds"). There are three remaining claims to the Brookdale Proceeds that are seeking priority to or otherwise affecting the priority of the BDMC mortgages, being a claim from certain bondholders (under which approximately \$9M plus interest and costs is claimed), the Fortress-related borrower (under which approximately \$1.5M is claimed) and Fernbook Homes (Brookdale) Limited. The quantum and timing of any distribution to the Brookdale Investors remains unknown given these outstanding unresolved priority issues.

7	Capital Pointe	728	Exited	n/a	n/a	n/a	KEB Hana Bank of Canada ("KEB"), the first priority lender, commenced a Claim in Mortgage Action. On March 4, 2019, an order was granted permitting the property to be listed for sale through a commercial realtor. On May 12, 2020, an order was granted approving a sale of the property to Magnetic Capital Group Inc. As KEB suffered a shortfall on its loan, there were insufficient proceeds to make any distribution to any of the subordinate loans registered on title including the BDMC mortgages.

(pari passu with BDMC)	November 30, 2019 (extend date November 30, 2021) extension not exercised. <b>MATURED.</b>	Development approvals needed. The Block Plan application to amend the Official Plan was approved by the Local Planning Appeal Tribunal ("LPAT") on October 6, 2020. Draft Plan of Subdivision can now be submitted.	In late 2019, the Trustee received a settlement offer from the borrower for \$9.5M ("Offer"), which was subsequently increased to \$10.45M ("Revised Offer"). Initially, investor feedback was generally supportive of the Offer. Following additional negotiations, the Trustee served a motion seeking approval of the Revised Offer. However, during the period between the service of materials and the scheduled hearing, the Trustee and Representative Counsel received additional investor feedback that resulted in a materially lower level of support for the Revised Offer. As a result, the Trustee determined that it would not be moving forward with the Revised Offer which expired in accordance with its terms. On March 2, 2020, the borrower initiated legal proceedings seeking to enforce a clause in the BDMC loan agreement ("End of Term Event Clause"). A hearing took place on November 3, 2020, and on February 2, 2021 the Court issued a decision which ruled in favour of the borrower and against the interests of the investors ("Decision"). On March 2, 2021 the Trustee commenced an appeal seeking an order to set aside the Decision. Since filing the appeal, the Trustee, its counsel, Representative Counsel and the borrower have negotiated and reached a global settlement ("Castlemore Settlement"), which contemplates, among other things, a payment of \$9,875,358 by the borrower to the Trustee, on behalf of BDMC. On June 7, 2021 the Trustee is seeking Court approval of the Castlemore Settlement and the distribution of Castlemore Settlement proceeds <i>pro rata</i> to the Castlemore Investors, net of the Administrative Holdback.
9	Charlotte Adelaide Tower [CHAT/LH1]	301	Exited	n/a	n/a	The borrower entered into an agreement of purchase and sale for the property that was the subject of the CHAT Project for an initial cash purchase price of \$16.5M, which resulted in net proceeds of \$3.6M paid to the Trustee, on behalf of BDMC, on closing. In connection with the CHAT transaction, (i) the Trustee also negotiated and entered into a memorandum of understanding, pursuant to which BDMC received a further payment of \$2.095M, and was given the opportunity to receive a further payment of up to \$5.2M based on the achievement by the CHAT purchaser of certain development milestones ("Density Bonus") and (ii) the Trustee was granted security on a property located in Hamilton, ON ("Alternate Property"), in respect of the Density Bonus and certain other guarantees that were provided. The entity that granted security on the Alternate Property has since advised that it is of the view that given recent input it has received from the City of Toronto regarding development approvals, the Density Bonus will likely not be payable and, accordingly, such entity has requested that the Trustee discharge its mortgage on the Alternate Property. The Trustee is in discussions with such entity regarding its request.	n/a
10	Collier Center	949	Exited	n/a	n/a	n/a	The property was listed for sale in July 2018. On or around the beginning of May 2019, Morrison Financial Mortgage Corporation, the first priority mortgagee ("Morrison"), advised the Trustee that no formal offers for the property had been received and that it proposed to transfer the property to a related company for an amount equal to the highest informal offer it received. On May 8, 2019, Morrison transferred the property to Morrison Financial Realty Corporation for a price of \$18.457M ("Takeout Price"). Given that the Takeout Price was substantially less than the amount owed to Morrison, Morrison did not recover the full amount of its indebtedness and there were no recoveries available for distribution to the subsequent mortgagees, including BDMC.
11	Crestview Commons (Manors of Mineola)	166	Exited	n/a	n/a	On May 23, 2019, the Trustee sought and obtained court approval of a settlement agreement in the amount of \$4.475M respect of the BDMC debt on the Crestview project.	n/a

12	Eden (King City)	129	Completed	1st: \$5.9M to BDMC	March 31, 2015 (extend date March 31, 2016) <b>MATURED.</b>	Construction of the homes has been completed and the homes have been sold. The BDMC mortgage remains registered on title.	Following the sale of the homes, the borrower advised that there would be no recovery to Investors on the project due to cost overruns. Based on available information, the Trustee completed a preliminary review of the sources and uses of funds for the project. The analysis identified several areas requiring further investigation. On June 19, 2019, the Trustee sought and obtained a Bankruptcy Order in respect of the borrower, and Grant Thornton ("GT") was appointed as bankruptcy trustee. A representative of the Trustee was appointed as an inspector in the bankrupt estate. GT's investigation into the affairs of the bankrupt entity has been temporarily put on hold while the Trustee continues to explore a possible consensual settlement relating to the ongoing litigation in respect of the Eden Project.
13	Nobleton South	137	Exited	n/a	n/a	n/a	The priority mortgagees issued a Notice of Sale in respect of acquisition financing that had matured. The property was sold for \$6M pursuant to a sale transaction that closed on March 23, 2021. After repayment of the balance owing to the priority mortgagees, payment of a transaction fee and other closing costs, the net funds available for distribution by the Trustee are approximately \$2.4M ("Nobleton South Residual Proceeds"). On June 7, 2021, the Trustee is seeking Court approval to distribute the Nobleton South Residual Proceeds <i>pro rata</i> to the Nobleton South Investors, net of the Administrative Holdback.
14	Glens of Halton Hills (Georgetown, GHH)	306	Exited	n/a	n/a	n/a	Notice of Intention ("NOI") to make a proposal was filed by the borrower in August 2018. Multiple lenders sought to enforce prior to the NOI filing. A sale and marketing process was undertaken by the Proposal Trustee. Proceeds from the transaction were used to, among other things, repay the first priority mortgagees on the project. As there was a shortfall in the amounts owing to the second ranking mortgagee, there were no recoveries available for distribution to BDMC. On February 5, 2019, the borrower was deemed bankrupt. The Trustee undertook a preliminary review of the sources and uses of funds on the project, which was provided to the bankruptcy trustee ("KSV"). Following the results of KSV's review, the Trustee concluded that KSV would have to incur significant additional time to further investigate the use of funds advanced by the Georgetown Investors, and there was no clear road to action or any recoveries without incurring significant additional costs. There are no funds remaining in the bankruptcy estate for KSV to continue any further investigation. Even if KSV successfully challenged certain transactions, any funds recovered would be used to satisfy fees and the shortfall to the second mortgagee before any funds could be made available for distribution to Georgetown Investors.

The Draft Plan of Subdivision and Zoning By-Law applications were submitted to the Town of East Gwillimbury in June 2018. A notice of complete application has been received and a Public Planning Meeting has been held. Comments from the Town were sent to the borrower in the fall of 2018. A resubmission addressing the Town's comments has not been submitted to date. The Trustee understands that the resubmission has been delayed for two reasons: (i) servicing; and (ii) the Region of York not permitting access of the proposed development from 2nd Concession road, which means the road access will need to come through the subdivision to the north of the properties.  In January 2021, the properties were listed for sale by the borrower who retained CBRE to run the sale process. The properties were initially listed without a listing price or a deadline for offers. An offer deadline was subsequently set for April 15, 2021. The Trustee was advised by CBRE that no offers were received on the offer deadline. The Trustee is continuing to engage with the borrower regarding next steps for the properties.	n/a

The first settlement payout was \$1.75M and a possible future second settlement payment ranges from \$600,000 to \$800,000 (" <b>Second Settlement Payment</b> "). The borrower has elected to pay the Second Settlement Payment in the amount of \$800,000 when it completes the sale of the 95th residential unit out of the total of 101 units, which the borrower has advised is expected to occur in late 2022.	n/a
17	Jasper House	163	Exited	n/a	n/a	Property was listed for sale by the borrower. The borrower received an offer and ultimately executed an agreement of purchase and sale with the purchaser at a sale price of approximately \$4.3M. The sale transaction closed in October 2020 with residual proceeds of approximately \$1.8M after repayment of the first priority mortgage and other closing costs. The borrower asserted a claim on behalf of itself and an affiliate in priority to BDMC in the amount of approximately \$1.6M. After extensive negotiations, the Trustee reached a settlement with the borrower and its affiliate in the amount of approximately \$527,000, which is subject to Court approval (" <b>Related Party Settlement</b> ").  The North borrower registered a mortgage on title to the Jasper House Project in third position behind the BDMC loan in the amount of \$768,650 in respect of funds advanced by the North borrower to the Jasper House borrower, which amount was not repaid (" <b>Inter-Project Loan</b> "). The Trustee is of the view that, subject to Court approval, the most equitable treatment of the Inter-Project Loan is for the Jasper House Project to reimburse the North Project for 50% of the Inter-Project Loan, or \$384,325 (" <b>Inter-Project Allocation</b> "), such that these additional funds would be available for distribution to the North Investors. As the deadline for repayment was not met, a marketing and sale process for the properties was commenced. Each of the properties have now been sold for a combined selling price of \$2.165M.  On October 15, 2020, the Court granted an order authorizing the Trustee to enter into subordination and priority agreements that would subordinate BDMC's second priority mortgage to certain additional financing advanced by certain first-ranking mortgagees secured by a mortgage that was registered in third position (the "Additional Financing Mortgage"). The distribution of the proceeds from the sales resulted in: (a) the first priority mortgage being repaid in full; and (b) a partial repayment of the Additional Financing Mortgage. The site is currently being used as a surface parking lot, the income of which is used to service a portion of the priority debt. The borrower retained CW Stevenson Inc. to list the property for sale and on September 15, 2020 it was listed with no list price and a deadline for offers of October 15, 2020, however, the borrower's sale process did not result in a sale transaction.	On October 13, 2020, 11615467 Canada Ltd ("1161 Canada"), in its capacity as third ranking mortgagee, issued a Notice of Sale requiring the full amount of its outstanding debt of approximately \$1.8M to be paid. As the borrower continued to be in default for failure to repay its outstanding debt, on January 25, 2021, the Manitoba district registrar granted an order authorizing and empowering 1161 Canada to sell the property by public auction, private contract or both. On March 25, 2021, 1161 Canada held a public auction, which was attended by the Trustee. No offers were received at the auction. Given the result of the auction, 1161 Canada has retained a commercial real estate broker to list the property for sale and has advised that the marketing process will commence in June 2021.

36	The Kemp	360	Exited	n/a	n/a	n/a	Romspen, the first priority mortgagee, issued a Notice of Sale in respect of its first priority mortgage which had matured. On June 27, 2019, Romspen accepted an offer for the sale of the properties. The transaction closed on September 10, 2019. After repayment of amounts owing to the first, second and third priority mortgagees, approximately \$2.2M remained as residual proceeds. Counsel to Fortress, on behalf of itself and the borrower, submitted a claim to the Trustee on behalf of the Kemp Investors. The Trustee reviewed Fortress' claim and disagreed with the analysis provided by Fortress. In December 2019, the Trustee distributed \$1.5M of the \$2.2M of remaining proceeds, with \$700,000 held back pending resolution of the Fortress claim. Thereafter, the Trustee continued its discussions with Fortress, as well as with a third party in respect of whom a portion of the Fortress claim related; however, the parties have yet to reach an agreement. Accordingly, the Trustee anticipates bringing a motion before the Court seeking approval to distribute the remaining Kemp proceeds to the Kemp Investors notwithstanding the Fortress claim.
37	The Orchard	382	Exited	n/a	n/a	Property was listed for sale by the borrower. In June 2020, the borrower entered into an agreement of purchase and sale at a sale price of \$7M. After payment of the priority mortgages, including a loan from a party related to the Orchard borrower, property taxes, commission and other closing costs, approximately \$1.8M remained for distribution to the Orchard Investors. On September 22, 2020, the Trustee sought and obtained Court approval to distribute the residual proceeds on a <i>pari-passu</i> basis to the Orchard Investors, net of the Administrative Holdback.	n/a

Following the issuance of the Notice of Sale, the Trustee contacted Diversified seeking information with respect to any proposed sale process. The Trustee followed up for several months with no response. In addition, the Trustee was aware of and had advised Diversified that there were parties interested in acquiring the property and that it understood that Diversified was not responding to or engaging with such parties. On or about October 21, 2020, almost two years after the issuance of the Notice of Sale, the property was formally listed for sale on an unpriced basis. Diversified ultimately entered into an agreement of purchase and sale at a purchase price of \$13M, which transaction closed on May 13, 2021. Following the closing, the Trustee was advised by Diversified's counsel that it had paid \$9.9M to Diversified in accordance with Diversified's payout statement (which included approx. \$4.7M of unpaid interest on \$4.5M of original principal). The Trustee has reviewed the payout statement and has concerns regarding the amount of interest and fees charged by Diversified given, among other things, the extended length of time between the Notice of Sale and the date the property was listed for sale. The Trustee will be addressing such concerns with Diversified and considering its rights and remedies in this regard. In addition to the amounts in the payout statement, the Trustee understands that there will be other amounts sought to be paid from the proceeds in priority to BDMC.  The Trustee is also aware of two construction lien claims, which total approximately \$640,000 and which could affect the amount of residual proceeds remaining for investors. The Trustee is engaging with the lien claimants with respect to the validity and priority of such claims.

40	Treehouse (Halo)	115	Exited	n/a	n/a	n/a	On May 22, 2019, the first priority mortgagee issued a Notice of Sale. As its debt was not repaid by the deadline, the first priority mortgagee retained CBRE to market the property for sale. On November 15, 2020, the first priority mortgagee entered into an agreement of purchase and sale for the property for \$4.3M. The transaction closed on November 20, 2020, at which time the first priority mortgagee was owed approximately \$6.7M. 41	Triple Creek	280	Exited	n/a	n/a	n/a	A Notice of Sale was issued by first priority lender, Romspen, and other enforcement actions were taken by the second priority lender. On December 14, 2018, an order was granted permitting the property to be listed for sale through a commercial realtor. The list price for the property was \$3M. A report prepared by the listing agent noted that over the course of the six-month sale process, with the exception of one verbal offer for \$1.9M, no offers were received. After the completion of the initial six-month listing, the listing agent continued to market the property on its website until July 2020, during which time it received three verbal offers ranging from \$700,000 to \$1.6M. Given the lack of interest in the property, Romspen sought and obtained an Order for Foreclosure on October 29, 2020, which resulted in Romspen being granted a new Certificate of Title to the property solely in its name and all subsequent encumbrances, including the BDMC mortgages, being discharged from title to the property, with no recovery for the Triple Creek Investors or the second or third priority mortgagees.
42	Union Waterfront	353	Exited	n/a	n/a	n/a	A receiver was appointed August 3, 2018 and a sale process was completed. Sale of the properties was approved on February 15, 2019 pursuant to a Court order. The first settlement payment of \$4M was received and distributed to the Wellington Investors and a second settlement payment of \$2.3M is to be paid by the borrower to the Trustee on or before September 1, 2021. As part of the settlement transaction, the Trustee received certain guarantees and security in connection with the second settlement payment.	n/a
44	Whitby Commercial Park (Rosewater)	257	Exited	n/a	n/a	The borrower entered into a conditional agreement of purchase and sale for the property in late 2019 for a purchase price of \$28M. The transaction closed in March 2021. After repayment of the priority mortgage, commissions and other closing costs, the net proceeds available for distribution by the Trustee are approximately \$12.9M (" <b>Whitby Residual Proceeds</b> "). On June 7, 2021, the Trustee is seeking Court approval to distribute the Whitby Residual Proceeds <i>pro rata</i> to the Whitby investors, net of the Administrative Holdback.	
45	White Cedar Estates (Dunsire Guelph)	42	Exited	n/a	n/a	n/a	Property was sold through a Court-appointed receivership. The net proceeds remaining from the sale of the project after collection of ancillary receipts and payment of, among other things, the debt in priority to BDMC and professional fees, was approximately \$485,000. In September 2019, the Trustee received a preliminary payment of \$450,000 from the receiver, which was distributed to the Dunsire Guelph Investors in September 2020.
